To
M/s. Nagadi Consultants Pvt Ltd,
No. 106/1D, Kishangarh,
Vasant Kunj, New Delhi – 110070

Dear Sir,

Sub: Work Order for Soil Investigation Work

Project : Bellsonica Auto Component India Pvt Ltd at Kharkhoda, Haryana.

We refer to your Quotation No.NCD/Q/TAKENAKA/158/2022 dated: 30th January 2023 and the final discussions & negotiations held on 30th January, 2023 in our Office in regards to the understanding of carrying out the above-mentioned works at the above location (the 'Site'), we, Takenaka India Pvt. Ltd. (hereinafter referred as 'Main Contractor') are pleased to award the **Soil Investigation Work** and all associated works (hereinafter referred as 'Sub- Contract Works') to **M/s Nagadi Consultants Pvt Ltd** (hereinafter referred as 'Sub Contractor') subject to the following terms and conditions :-

1. SUB-CONTRACT VALUE

The Sub- contract Sum shall be in the amount of **Rs. 1,005,000/-** (Rupees One Million Five Thousand only) as stated in the Bills of Quantities (**Appendix 'A'**) The 'unit rates' as stated in the Bills of Quantities are fixed and shall not be subject to any fluctuation and/or escalation due to any reason, whatsoever. This Sub-contract is an item Rate Contract and not a Lump sum price contract and accordingly, the total Contract Value shall be determined during the execution of the Works based on the actual quantities executed, measured and certified by the Main Contractor.

2 VARIATION IN QUANTITIES

The quantities mentioned in the Bill of Quantities are tentative and may vary as per the design & drawing to be issued from time to time. The quantities are subjected to final re-measurement , by the Main Contractor as per each stage of completion, from time to time. No change in unit rates will be allowed due to any increase/ decrease in quantities. The quantities measured and certified by the Project Manager of the Main Contractor shall be final and binding.

3 TIME OF COMPLETION

3.1 Time is the essence of the Contract. The Sub Contractor is strictly required to adhere with Main Contractor's master schedule.

- | | | |
|-------------------------|---|----------------------------|
| a) Date of Commencement | : | 01 st Feb, 2023 |
| b) Date of Completion | : | 31 st Mar, 2023 |

- 3.2 The Sub-contractor shall arrange adequate resources including men, material (as per scope) and machinery at each and every stage of construction, in time to adhere to the time schedule indicated above. All plant & equipment, labour and materials should reach the site well in advance and in no instance work should suffer for want of same.
- 3.3 The Sub-contractor shall further submit weekly, fortnightly and monthly progress based on the approved programme submitted to the Sub-Contractor along with progress achieved, reasons for shortfall, action plans / corrective actions planned / steps taken to make up the shortfall so as to complete as per the approved planned program.
- 3.4 The Sub-contractor shall produce manufacturer's test certificate at the time of procurement of materials and arrange testing as site laboratory as per instructions of site-in-charge at the cost of Sub-contractor as per the frequency indicated in the method statement

4 PERFORMANCE GUARANTEE : NA

The work carried out by the Sub-contractor shall be covered by a performance guarantee from a scheduled Indian bank or foreign bank operating in India, in the format prescribed and approved by the Main Contractor, for an amount of 5% (Five percent) of the Contract Value. The BG shall be submitted to Main Contractor within 7 days from the date of award of work.

Performance Guarantee shall remain valid up to 12 months from start work and shall be released only after completion of the Defects Liability Period and after obtaining the Defects Liability Certificate from the Owner and a NO CLAIM CERTIFICATE from Sub-contractor, certifying that the Sub-contractor has no claims, whatsoever, against the Main Contractor.

5 PRICE

The rates quoted by the Sub-contractor shall be firm and shall not be subject to any kind of escalation or change, for any reason, whatsoever (including introduction of new legislation or changes in rates of all kinds of duties and taxes), till the completion of entire Scope of the Work.

6 TAXES & DUTIES

- 6.1 The rates quoted by the Sub-contractor shall be **inclusive** of all taxes, other duties, other levies, royalties, cess, & labour welfare cess etc. **except GST (IGST/CGST/SGST) which will be charged extra** as per the GST rates applicable, on the supply of materials under works contract and the supply of services thereunder . The GST charged under the GST Act in the invoices shall be paid/ reimbursed subject to submission of documentary proof & evidence in support of actual payment of the same by the Sub-contractor.

6.2 INCOME TAX

Sub-contractor is required to submit Income Tax Clearance Certificate to the Main Contractor. Income Tax deductions (TDS) on the gross value of the RA bills shall be deducted as per statutory requirements @ 2% or the rate applicable from time to time under the Income Tax Act, 1961. Necessary tax deduction certificates shall be issued to Sub-contractor.

6.3 COMPLIANCE UNDER GOODS & SERVICES TAX ACT (GST) & INVOICING :

The Sub-contractor shall mandatorily be registered under GST in the respective State (i.e. Haryana State in this case) in which this Works Order/ Contract is being executed & shall be responsible for submitting proper GST invoices (showing the items supplied, their HSN code, the GST rate applicable clearly bifurcated into IGST/CGST/SGST etc to enable CENVAT credit on inputs) as required under the GST Act & Rules, for the materials & services supplied under the above Works Order/ Contract to enable Takenaka to claim full CENVAT Credit for input GST on all supplies & services. In the event Takenaka fails to get full CENVAT credit as above, due to improper contractor, Takenaka shall have the right to recover the said amounts from any monies due & payable to the Sub-contractor. The above conditions will apply also, to all suppliers/ vendors, sub-sub-contractors including labour contractors used by the Sub-contractor in the execution of this Works Order. The Sub-contractor and its vendors/ suppliers/ sub-sub-contractors shall be responsible for all statutory requirements & compliances under the GST Act & Rules framed thereunder, applicable from time to time. The Sub-contractor shall be responsible to furnish documentary evidence in support of the levy & payment of all taxes & cess including but not limited to the GST under the GST Act, as & when demanded by the Main Contractor, failing which the Main Contractor shall have the right to with-hold payments to that extend. The Sub-contractor shall be responsible to extend full co-operation & assistance to the Main Contractor for completing the documentation & statutory compliances under the GST Act in respect of this Works Order/Contract. TDS (GST) as applicable under the GST Act shall be deducted from the payments made to the Sub-contractor.

The Main Contractor shall have the right to recover/ back-charge the cost of all materials & services supplied, directly or indirectly, to the Sub-contractor in respect of the Sub-contract Works falling within the scope of the Sub-contractor & deemed necessary by the Main Contractor for the completion of the said Works & the Sub-contractor hereby acknowledges & accepts the deduction of such costs from the amounts payable & due to the Sub-contractor including the Retention Money. The decision of the Main Contractor in this regard shall be final & binding on the Sub-contractor.

The Sub-contractor shall indemnify & compensate the Main Contractor for any interest, penalty, loss or damages, whatsoever, suffered on account of the failure of the Sub-contractor and/or its vendors/ suppliers/ sub-sub-contractors etc in complying with the statutory regulations & documentation relating to the GST Act & the Rules framed thereunder in respect of this Work Order/Contract.

7 WATCH & WARD FOR MATERIALS

The Sub-contractor shall organize storage and security for his material and machinery at his own cost. However, Main Contractor will provide only limited storage space. All transport, handling charges, storage charges, and charges for watch & ward for the materials, plant and machinery etc shall be included in Sub-contractor's price and no claim on account of this will be entertained by Main Contractor.

8 CODES & STANDARDS

- 8.1 The Works shall be carried out as per the relevant IS codes and specifications laid down in the Contract between Main Contractor and the Employer. In the absence of specifications, relevant Indian / International Standard Code of Practice together with their latest revisions / amendments as applicable on the date of work order shall be followed. In the absence of the relevant code of practices also, the instructions of Main Contractor or standard engineering practice shall be adopted.
- 8.2 In case of contradictions / conflicts between the specifications, the interpretation of the Employer / Main Contractor shall be final and binding.

9 LABOUR LAWS

The Sub-contractor shall comply with all the labour laws of the State Government, Central Government and local authorities as applicable in the place of work including payment of provident fund, ESI (if applicable), Minimum Wages etc for workmen. All licenses / registration required shall be obtained by the Sub-contractor and all records to be maintained under these laws shall be maintained by the Sub-contractor and produced to the concerned authorities as prescribed. No extra payment will be made to comply with these labour laws.

Payments to the Sub-contractor shall be subject to the Sub-contractor furnishing with each bill documentary evidence & proof in respect of timely payment of wages as per law to their workmen (copies of weekly/fortnightly Muster Rolls for payment of wages to the workers deployed at the Site will be furnished to the Main Contractor without fail), payment of provident fund (copy of challan evidencing payment of PF for the respective month/period along with list of names & PF Registration numbers of the labour engaged at the site during the said period) , ESI (if applicable) etc on time to their workmen and compliance with all other Labour Laws applicable in India.

10 WATER & POWER

10.1 WATER

The Sub-contractor shall make own arrangement for the construction water at the Site.

10.2 POWER

The Sub-contractor shall make own arrangement for the construction power at the Site.

11 SAFETY RULES & REGULATIONS

- 11.1 The Sub-contractor shall abide by all the provisions mentioned under “**Safety, Environmental and Security Requirements**”, safety standards, specifications and practices in construction and also the instructions of safety engineer at site. The Sub-contractor shall be responsible for the safety of his staff & employees, employees of other agencies working in his area of operation.

The Sub-contractor shall delegate the responsibility of implementation of safety rules to one of his staff. All safety appliances required like safety shoes, safety helmets, safety belts for working in

heights, etc. shall be arranged by the Sub-contractor at his own cost as per samples approved by Main Contractor.

- 11.2 In case of repeated violation of safety rules & regulations by the Sub-contractor's workmen, they will not be permitted inside the site of work. If the Sub-contractor & his workers/representatives fail to comply with the safety standards & regulations of the Main Contractor, they will be issued a warning notice for the first incident & for any continued failure, the Main Contractor shall levy a penalty of Rs. 1,000/- (Rupees One Thousand only) per incident/day per worker. The Sub-contractor's authorized representative of safety shall attend all safety meetings convened by Main Contractor's site safety engineer and abide by his instructions.

12 NOTICE TO PUBLIC BODIES

The Sub-contractor shall give to the municipality, police, and other statutory authorities all notices that may be required by law and obtain all requisite licenses for temporary obstructions, enclosures, traffic & road permissions for plying its vehicles, trucks, piling rigs etc and pay all fees, taxes and charges which may be leviable on account of his operations in executing the Contract. He shall make good any damage to adjoining premises whether public or private and supply & maintain any lights etc. required at night.

13 TERMS OF PAYMENT

Following payment terms & conditions shall be applicable under this Order : –

- **Advance :** 20 % of the value of Order payment will be released against submission of without Bank Guarantee from the nationalized bank as per the prescribed format.
- **Material Delivery :** 0% of the value of Order against material delivery at site and submission of Invoice at Project Site will be measured, accepted and certified for payment to the entire satisfaction of Project Manager. Rejected/damaged/ defective supplies shall be returned back without any payment.
- **Against Installation :** 0% of the value of order will be released against successful installation at site will be measured, accepted and certified for payment to the entire satisfaction of Project Manager.
- **Against R/A Bills :** 80% of the value of order will be released against successful completion of works at site on pro-rata basis will be measured, accepted and certified for payment to the entire satisfaction of Project Manager.
- **Retention Money :** 0 % amount of each Bill retained as Retention Money.
- Payment shall be made after 30 working days of submission of your Invoice/RA Bill.
- Final bill shall be submitted within 30 days from handing over of the complete Supply & Erection of materials/ equipments/works to Takenaka India Pvt. Ltd.,
- Full and final payment (excluding the Retention Money, if not secured by furnishing of a retention money BG) shall be made within 45 day from the date of submission of Your Final Invoices (proper tax invoices as statutorily required) after measurement, verification and certification of Supply/Works by our Project Manager to his complete satisfaction & subject to furnishing of all tax invoices, product warranties, manufacturer test certificates, installation, testing & commissioning reports & retention money/ retention BG etc.

13.2 RETENTION MONEY : NA

Five Percent (5%) of the gross certified amount shall be deducted and with-held by the Main Contractor towards Retention Money.

The retention money shall be released upon submission of Bank Guarantee of the same amount from an approved bank, payable at New Delhi, after completion of works and valid for a period until the end of the Defect Liability Period (DLP) for 24Months.

It shall be noted that no part payment shall be made for any of the incomplete Works

All payments shall be subject to deduction of TDS (under Income Tax Act & GST Act) as per applicable laws.

14 WORKMEN'S COMPENSATION INSURANCE CHARGES

The Sub-contractor shall obtain workmen's compensation insurance for the workers deployed for the Sub-contract as statutorily required under the applicable laws. The Sub-contractor shall be solely responsible for sickness, injury or death of any of its workmen & for settlement of any claims in respect thereof and shall indemnify & keep the Main Contractor indemnified at all times, against all claims, losses, damages or any other liability in respect thereof. In the event of Sub-contractor's failure to pay adequate compensation and/or settle the compensation amount on account of illness, injury, disability or death of any worker at the Site, the Main Contractor shall have the right to settle the amount with the worker & with-hold such amount from any payments due to the Sub-contractor and/or recover the same from the Sub-contractors Performance Guarantee & Retention Money.

15 TERMINATION OF SUB-CONTRACT BY THE MAIN CONTRACTOR

15.1 The Date of Completion as indicated under para 3.1 above is very vital for the overall completion of the Works & the Project. If Sub-contractor's progress is consistently found to be below the accepted programme and/or if in the opinion of the Main Contractor the Sub-contractor is delaying the Works & not likely to achieve completion on the scheduled date of completion, and/or if, the quality of work being executed by Sub-contractor falls below the expected standards laid down by Main Contractor, in such cases, in the interest of timely completion of the project and to maintain the high quality of work, the Main Contractor reserves the right to delete any part of the Scope of Work, or the entire balance work to be taken away from Sub-contractor by issuing 48 hours verbal notice to the Sub-contractor's representative at Site and get such works executed by other agencies, at Sub-contractor's risk and costs. In such a case, Main Contractor shall make no compensation or damages or any other extra payment to Sub-contractor.

15.2 In case the employment of the Sub-contractor under this Sub-contract is determined under sub-particle 15.1 hereof, then the Sub-contractor shall be deemed to be in breach of this Sub-contract and the Sub-contractor shall be eligible for the value of any work actually executed and not paid for at the date of such determination, as well as for the value of any unfixed materials and goods delivered upon the Site and accepted by the Main Contractor for use in the Sub-contract works. The Main Contractor shall have the right to recover, or to deduct from or set off against any such amount due/payable to the Sub-contractor for the Works executed upto the date of determination of the Sub-contract, including the Retention Amount, and/or the Performance Bank Guarantee, the

amount of damage suffered and/or of loss and expense incurred by him by reason of the determination of the employment of the Sub-contractor under this Sub-contract.

16 TERMINATION OF THE MAIN CONTRACT

16.1 If for any reason, the Main Contractor's employment under the main Contract is determined (whether by the Main Contractor or by the Employer and whether due to any default of the Main Contractor or otherwise), then the employment of the Sub-contractor under this Sub-contract shall also automatically stand determined and the Sub-contract shall, unless the termination of the main Contract was caused or contributed to by any default or breach of Contract by the Sub-contractor, be entitled to be paid for the following:

16.1.1 The value of the Sub-contract works completed at the date of such determination.

16.1.2 The value of the work begun but not completed at the date of such determination; and

16.1.3 The value of any unfixed materials and goods delivered upon the site and accepted by the Main Contractor for use in the Sub-contract works.

17 GOVERNING LAW & JURISDICTION

The Sub-contract shall be governed by the laws of India & the courts at New Delhi shall have jurisdiction on all matters connected with this Sub-contract.

18 ARBITRATION

In the event of any dispute or difference between the Main Contractor and Sub-contractor whether arising during the execution or after the completion or abandonment of the Sub-contract or after the determination of the employment of the Sub-contractor under this Sub-contract (whether by breach or in any other manner), in regard to any matter or thing of whatsoever nature arising out of this Sub-contract or in connection therewith, then either party shall give to the other party a notice in writing of such dispute or difference and the same shall be discussed and resolved amicably. In case the dispute and differences cannot be resolved within a period of 30 days, then the same be referred to arbitration in accordance with the provisions of the Arbitration and Conciliation Act 1996 by a Sole Arbitrator to be appointed by the Main Contractor from a panel of names of three persons provided by the Main Contractor. The venue of the arbitral proceedings shall be at New Delhi, India and all proceedings shall be in English. The cost of arbitration, including the arbitrator's fee etc shall be borne equally between the Main Contractor and the Sub-contractor. The Sub-contractor hereby irrevocably & unconditionally agrees to the jurisdiction & powers of the arbitrator, appointed as aforesaid and agrees to be bound by the decision and award of the said arbitrator.

19 SCAFFOLDING AND ACCESSES

The Sub-contractor shall arrange their own labour and material for erection / installation of scaffolding and all accesses as required. Steel scaffolding shall only be permitted.

20 QA / QC

The Sub-contractor shall ensure to strictly follow the quality assurance and quality control procedures set out by the Main Contractor

21 THIRD PARTY CLAIMS AND INDEMNITIES

The Sub-contractor shall keep the Main Contractor indemnified at all times against any liability (including but not limited any third party liability/claim and the liability of the Main Contractor to indemnify the Employer under the Main Contract) in so far as that liability may arise out of, in course of or by reason of the carrying out of Sub-contract Works and is due to any negligence or willful act or omission or breach of the Sub-contract by the Sub-contractor.

22 INSURANCE

22.1 The Main Contractor shall take the “CAR” (Contractor’s All Risk) Policy for the whole Project. However, the Sub-contractor shall be responsible for any loss or damage to the Sub-contract Works, surround property and/or third party liability, which are not covered or are below the access limit of Main Contractor’s ‘CAR’ Policy.

22.2 The Sub-contractor shall obtain and maintain necessary insurances for their plant, equipments, materials, staff and workmen, including for any agencies engaged by them and shall provide documentary evidence of adequate coverage to the satisfaction of the Main Contractor.

23 CONFIDENTIALITY :

23.1 Definition of confidential information

Information for which confidentiality is to be maintained as per this Clause (hereinafter referred to as “**Confidential Information**”) shall be any information related to the Works, etc, including but not limited to, design drawings, specification documents, other materials, etc. (hereinafter referred to collectively as the “Confidential Materials”) that Main Contractor provides Sub-contractor for the execution of the Works, etc, and information described on the Confidential Materials provided and all electronic files that are made for the Works, etc. and any information developed by or obtained from any third party in the course of the Works, etc.

However, the following shall not be included in „Confidential Information“, if it is proved by Sub-contractor falling under the following :

- i) Public information already known before Main Contractor’s disclosure to Sub-contractor.
- ii) Matters that the Sub-contractor already owns before Main Contractor’s disclosure to Sub-contractor.
- iii) Matters that become known publicly after the Main Contractor’s disclosure to the Sub-contractor through no fault of the Subcontractor’s own.
- iv) Matters from third parties having legitimate authority where the Sub-contractor is not under an obligation to maintain confidentiality.

23.2 The Sub-contractor shall solemnly promise & undertake to abide by all the obligations as set out in this Clause concerning the Main Contractor’s “Confidential Information“ for the design,

estimate and construction work of this project (hereinafter referred to as “the Work”). In addition, if by any chance, the Main Contractor should suffer any damage, whatsoever, due to a Sub-contractor’s breach of this Clause, whether due to misconduct or negligence on our part, the Sub-contractor promises to provide compensation for the damage and to indemnify and hold Main Contractor harmless from any damage or loss resulting therefrom.

23.3 Obligations of the Sub-contractor relating to Confidential Information:

The Sub-contractor shall solemnly abide and be responsible for the following obligations concerning the Main Contractor’s Confidential Information :-

- a) The Sub-contractor shall manage Confidential Information with proper care as a good manager.
- b) The Sub-contractor shall not use Confidential Information for any purposes other than the execution of the Works etc.
- c) The Sub-contractor shall make sure that this Clause is observed by the people engaged in the Works etc, while providing educational guidance and taking other necessary measures for them.
- d) The Sub-contractor shall strictly maintain Confidential Information with secrecy and not disclose or leak Confidential Information without prior written approval from the Main Contractor.
- e) The Sub-contractor shall take hard (physical) and soft (security software, passwords, etc.) measures for tools such as personal computers which include Confidential Information for preventing information leakage as well as implement strict security measures with respect to the site office.
- f) When using third parties to execute the Works, etc, those third parties shall bear a duty to the same contents of the Sub-contractor’s obligation items, and the Sub-contractor shall bear a duty jointly for the conduct of those third parties.
- g) In a case where the Sub-contractor receives a demand from a court, administrative or other public agency, Sub-contractor shall disclose Confidential Information after reporting the contents of the request to the Main Contractor in writing & seeking their consent.
- h) Upon the completion of the Works, etc, the Sub-contractor shall immediately return all the Confidential Materials including any copies or duplicates. At the same time any electronic files, including copies or duplicates shall be completely erased in a manner such that they cannot be restored.
- i) The Sub-contractor shall not pass on or delegate the rights or the duties in the Works, etc to third parties without Main Contractor’s written approval.
- j) The Sub-contractor shall manage personal information related to the Works, etc, in a suitable manner. The Sub-contractor shall observe laws and regulations and other standards concerning the protection of personal information and not use it for other purposes.

- k) When the Main Contractor request reports or on-the-spot inspections concerning the observation of the Sub-contractor's obligation items, the Sub-contractor shall provide its full cooperation. The Sub-contractor shall promptly follow up the report and inspection results in cases where there are improvement requests.

23.4 The Sub-contractor shall assume a non-disclosure obligation after the completion of the project.

24 OTHERS

- 24.1 The Sub-contractor has apprised himself fully of the Site conditions and clearly understood the Scope of Work. No claims of whatsoever nature shall be entertained by the Main Contractor on account of any reason cited by Sub-contractor at a later date. The Sub-contractor shall not sublet whole or any part of the work to any other agency, unless the same has the approval of the Main Contractor / Employer.
- 24.2 For any item which according to Sub-contractor is not covered in BOQ and for which he subsequently would lodge a claim shall be expressly approved in writing by Main Contractor and rate agreed prior to commencement of execution and no claim shall be entertained if the Sub-contractor fails to do so.
- 24.3 The Sub-contractor shall organize accommodation and other facilities for their staff / workmen at their own cost.
- 24.4 The Sub-contractor shall prepare and submit the work procedures and / or method statements for different activities as per Main Contractor's standard for approval by Main Contractor prior to mobilization at Site.
- 24.5 The Sub-contractor shall provide signalman during all the time of crane operations & movement of vehicles, trucks & tractor trolleys etc.
- 24.6 The Sub-contractor shall note that during the execution of his Scope of Work, he has to interface with the other agencies executing succeeding and preceding as per Main Contractor's schedule in a way that their work progress and sequence are not disturbed. The instructions by the site management of Main Contractor concerning interfacing to other agencies shall be strictly followed. No claim shall be entertained due to work being executed in the above manner for interfacing with other agencies. No claim for idling costs for men, materials and machines of the Sub-contractor shall be entertained.
- 24.7 All necessary approvals for executing the Sub-contract Works, from the respective departments Government or Local authorities, agencies & departments will be the responsibility of the Sub-contractor. However, Main Contractor shall provide necessary assistance and when require.
- 24.8 The Sub-contractor shall ensure safe movement of the machinery, trucks etc in and around the Site/township and shall follow the project safety plan and environmental plan of the State. All the dump trucks shall have 'Pollution Under Control' certificate and shall be covered as per site safety and environmental plan. The Sub-contractor shall ensure that there is no spillage of excavated

materials (dry/wet) from dumpers on city roads while the transportation of excavated materials (dry/wet) to approval dumping yards and the roads shall be kept clean. Necessary approvals for movement of its vehicles/ trucks etc from local authorities shall be obtained by the Sub-contractor.

24.9 The Sub-contractor shall do proper maintenance and house keeping of the site area. The working Site shall be kept clean and free of obstructions for easy access to working Site and also from safety point of view. Before handing over the Works, the Sub-contractor shall remove all temporary structures like the site offices, labour hutments, stores, rubbish, left over materials, tools and plants, equipments etc, clean and grade the entire Site to the satisfaction of Main Contractor. If this is not done, the same will be got done by the Main Contractor on behalf of the Sub-contractor and at the risk and cost of the Sub-contractor for which recovery will be made from the Final bill or Retention Money.

24.10 Information Security Guide Book Attached.

24.11 This Work Order is a legally binding Sub-Contract Agreement between the Parties.

Please sign the duplicate copy of this Work Order in token of your acceptance.
